# ABOUT

## ARISE CAREER & TECHNOLOGY

As a premier global recruitment solutions provider, we are dedicated to staying at the forefront of industry evolution, consistently aligning with the dynamic needs and preferences of today's workforce. Esteemed companies choose to collaborate with us to empower their workforce and attain strategic business objectives.

In recognition of the evolving dynamics in today's job market, we have transcended conventional seat-filling approaches. Instead, we have embraced a forward-thinking philosophy that centers on anticipating industry trends and cultivating a comprehensive talent strategy. This approach is meticulously crafted to resonate with the nuanced expectations and preferences of the contemporary workforce.

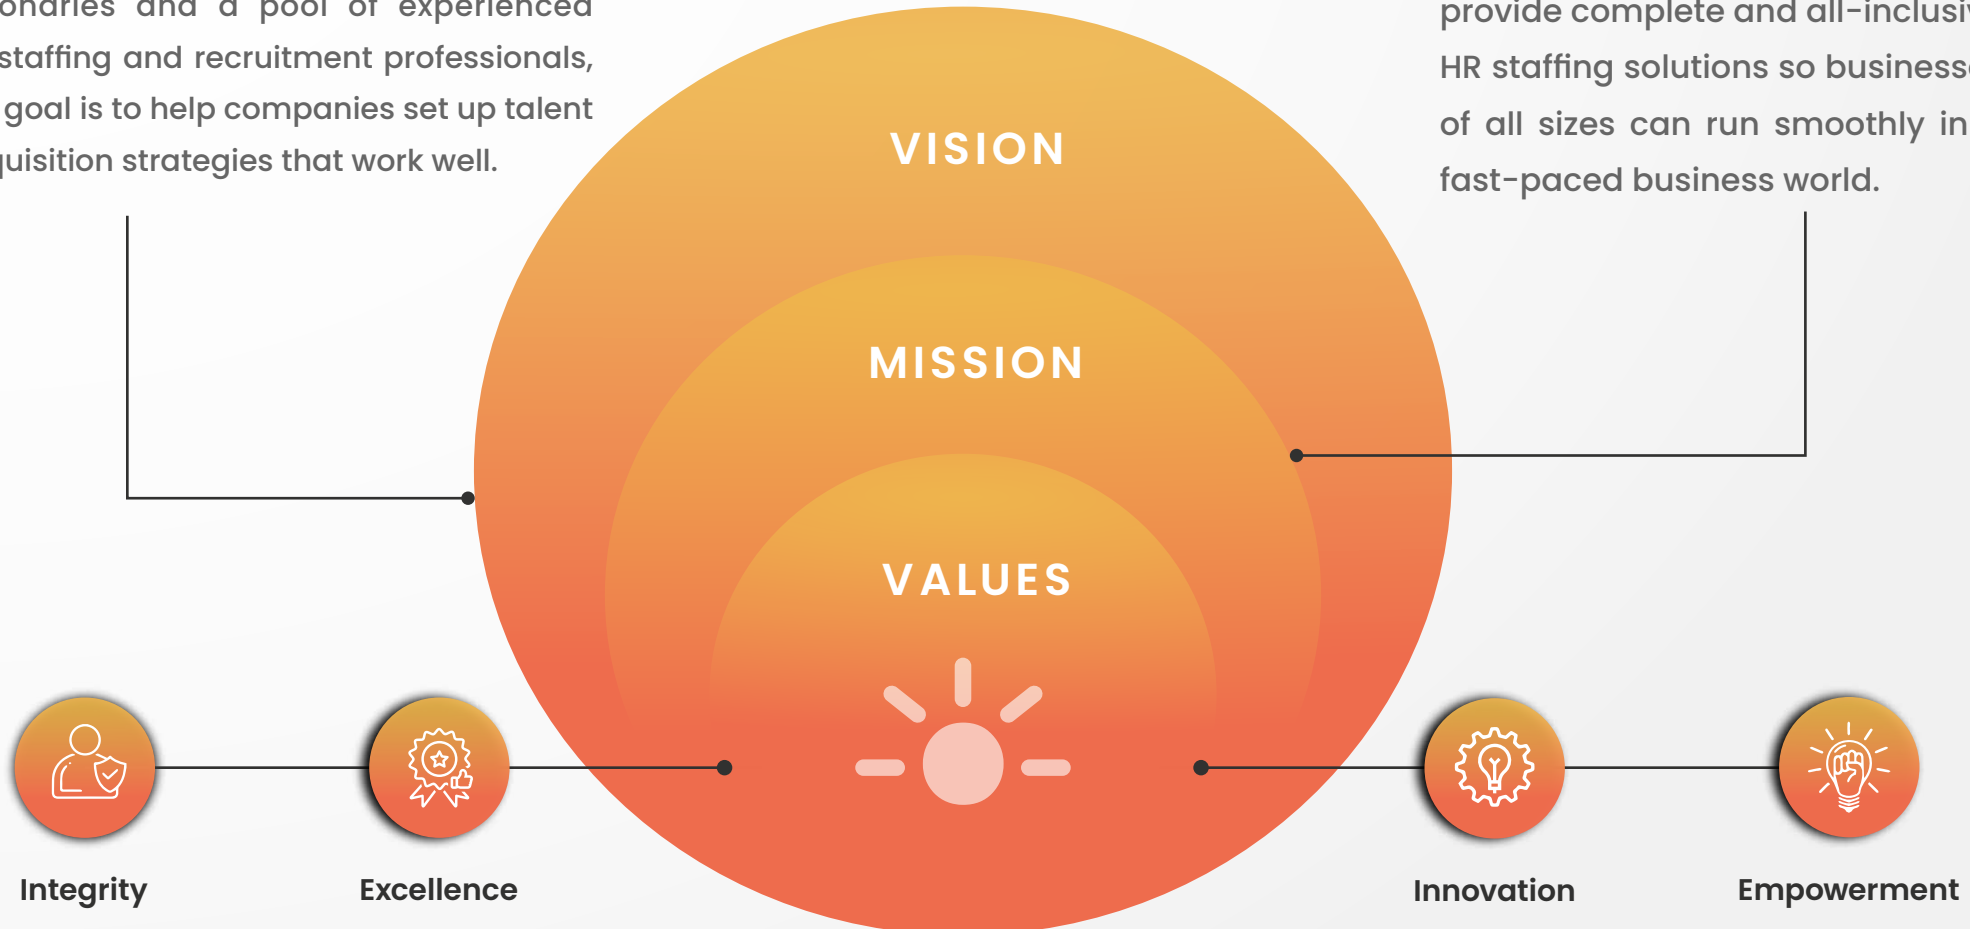

## Vision

With a management team full of visionaries and a pool of experienced HR staffing and recruitment professionals, our goal is to help companies set up talent acquisition strategies that work well.

## Mission

Our goal is to stay consistent and provide complete and all-inclusive HR staffing solutions so businesses of all sizes can run smoothly in a fast-paced business world.

Integrity

Aubergine Solutions Pvt Ltd

# REVIEWS :

**Ravindra Sonakiya**  
(Clovertex)

Working with Arise Career & Technology was a pleasure and a success story. Their developer worked very closely with us keeping informed of the entire process, had great follow-up, and found us the right solution within the time frame.

**Sanket Dev**  
(C2L Biz Pvt. Ltd.)

Thank you for the exceptional work in assisting us with our Staff Augmentation. Arise Career & Technology have outstanding follow-through during the entire process. They are extremely expedient in finding us the best qualified candidates on contract.

**Akshit Sheshadri**  
(Emmes Services Pvt. Ltd.)

I worked with Arise Career & Technology, their team carefully listened to my needs and kept carrying on the process. Dedicated, insightful and responsive - that is how I would describe their Services.
